Write your answers in the spaces provided.

Extract A

Commonwealth Games, Birmingham, 2022

Durban, South Africa, was due to stage the Commonwealth Games 2022 but withdrew due to financial and practical concerns. Bids were also submitted by Edmonton, Canada and Liverpool, but the Commonwealth Games Foundation (CGF), chose Birmingham, the UK's second biggest city.

5

Over 1,000 people will be recruited to deliver Birmingham 2022. Job vacancies will include roles related to administration, planning, marketing and security. Recruitment and training of staff will be led by Gi Group, a world leader in human resource management.

Gi Group will deliver comprehensive recruitment services and fill over 1,000 roles across multiple specialisms, including selection, training and on-the-job support. Gi Group will also assist all Birmingham 2022 staff with developing their careers from August 2022, once the Games are over.

Extract B

Huge progress at the Birmingham 2022 Alexander Athletics Stadium

Since planning permission was granted in January 2020, the demolition of three existing stands at the Perry Park site has been completed and work has started on rebuilding the stands with steelwork from British companies.

The £184m scheme remains on budget and scheduled for completion in spring 2022, ahead of its initial use as the venue for the Commonwealth Games athletics competition.

5

After the Games, the stadium is set to become a focal point of health, wellbeing, sport, academic and community activity as part of a £500m City of Birmingham Regeneration Scheme.

The stadium, which will hold around 30,000 spectators at each session during the Games, will switch to a permanent capacity of around 18,000 post-Games – the largest permanent facility capable of hosting international athletics in the UK. Furthermore, it will continue to be the home of the world-famous Birchfield Harriers Athletics Club.

Ian Reid believes that the Commonwealth Games' Directors' objectives should be to prioritise jobs and investment when making business decisions. However, others have suggested that the objectives should meet the needs of all stakeholders.

SECTION B**Read the following extracts (E to H) before answering Question 2.****Write your answers in the spaces provided.****Extract E****Get on your bike**

Northfield Cycles (NC), Birmingham, was established in 1996 by Richard Tranter, a semi-professional cyclist. It has gone from strength to strength as a retailer, repairs and servicing centre.

In 1996, unemployment in the region was growing because of the gradual closure of the Rover car manufacturing plant in nearby Longbridge. NC flourished thanks to cheap overheads but especially given the demand from locals on low incomes. Cars, it seems, were being exchanged for bikes. 5

Initially Richard sold an average of 20 bikes a week, growing to 20 bikes a day in the summer of 2012. Sales were boosted by Bradley Wiggins winning the Tour de France and the successes of the Great Britain Cycling Team at the London Olympics. 10

NC sold an average of £40,000 worth of bikes per week. Sales then experienced phenomenal growth in 2019 because of UK Government schemes and the closure of a competitor, Action Bikes, in Longbridge.

Manager of Northfield Cycles, November 2020, <http://northfieldcycles.co.uk> and <https://www.britishcycling.org.uk>)

Extract F**Northfield Cycles stock from the Far East**

Since opening in 1996, Richard has sold popular brands such as Giant, Scott, GT and Raleigh. This means that 95% of the bikes, helmets, clothing and equipment are manufactured in China, Taiwan, Vietnam and Malaysia, with the remaining 5% from Europe, mostly Germany. 5

The majority of bikes sold at NC are priced between £900–£1100, though they can sell at anything from £90 to £24,000.

The product life cycle of a high performance Giant bike can be as short as 12 months, which means that discounts become a common sales feature at NC.

Extract G**'Cycle To Work' and 'Fix Your Bike' schemes**

The updated June 2019 Cycle To Work scheme allows employers to provide funding for bikes and equipment worth up to £10,000, including electric bikes (e-bikes).

The Department for Transport said that the changes were made to promote the increased use of e-bikes to help tackle congestion, speed up commutes and cut travel costs, as well as reduce air pollution in cities.

5

In 2020 the UK Government launched its Fix Your Bike scheme – a scheme that saves customers up to £50 on bike repairs.

Extract H**Expansion plans at Northfield Cycles**

In April 2020, Richard approached architects, Slaters Ltd of Dudley, to prepare expansion plans for NC.

Plan A

To remove existing walls and partitions, extending the shop by 25 m². Upgrade the basement of the premises to become the workshop for bike repairs and servicing. The net present value for this project is £4,989 given a 10% discount rate. 5

Plan B

To build an extension to the rear of the premises, extending the shop by 40 m². Completely refit the basement of the premises to become a high-tech workshop for bike repairs and servicing, to include e-bikes. 10

The predicted net cash-flows were as follows:

Year	Plan A, £000s	Plan B, £000s

1	3	12
2	4	15
3	5	20
