Section A

Answer **all** questions in this section.

Only **one** answer per question is allowed.

For each answer completely fill in the circle alongside the appropriate answer.

CORRECT METHOD

WRONG METHODS

If you want to change your answer you must cross out your original answer as shown. 

If you wish to return to an answer previously crossed out, ring the answer you now wish to select as shown. 

0 1

A farmer takes over a retailer in order to sell its produce. This is an example of

- A horizontal integration.
- B backward vertical integration.
- C forward vertical integration.
- D conglomerate integration.
